$120,000 - $140,000 a year

WHY InRhythm?

You're ready for a change--you don't want to be stuck doing maintenance on a legacy product anymore, you're tired of working with older technologies, and you're looking for an environment that sparks your creativity and ingenuity. You want access to a continuous education program, and to interact with people who are as passionate about innovative technology as you. You're ready to be an InRhythmer.

Work you'll do:

You will be developing mobile and web based applications for a host of fortune 50 FinTech clients throughout NYC. Some of the projects include application development, technical assessments and direct consulting projects. Requirements:

- A degree in CompSci or related discipline and at 3 years of professional experience.
- Expert JavaScript development skills, understanding of new ES6 concepts.
- Full knowledge of the DOM, new HTML5 constructs, and CSS3. Bonus for BEM, and knowledge of component-based CSS management (CSSModules, Styled Components, etc)
- Professional hands on experience with React.
- Agile experience is a must.

- Experience with Single Page Application Development.
- Experience on Rest services/APIs and security.

Nice to have:

- Node.js experience.
- Database experience (NoSQL and/or SQL).
- Experience with GraphQL.

The InRhythm culture:

Our positive and supportive culture encourages our people to do their best work every day. We celebrate individuals by recognizing their uniqueness and offering them the flexibility to make daily choices that can help them to be healthy, centered, confident, and aware. We are continuously looking for new ways to maintain a culture where our people excel and lead healthy, happy, "InRhythm" lives.

Benefits and Perks:
Our offering of competitive benefits and perks includes:

- Comprehensive medical, dental, and eye insurance plans
- 401K plan with company match
- Life/disability insurance
- Flexible spending account for out of pocket medical and dependent care
- Pre-tax commuter benefits
- Paid time off and paid holidays
- Monthly Meetup events and learning and growth opportunities
- Gym/Fitness, Music, and birthday celebration reimbursement
- Professional development and training

Job Type: Full-time

Salary: $120,000.00 to $140,000.00 /year

Experience:

- JavaScript: 3 years (Required)
